

Installation Guide

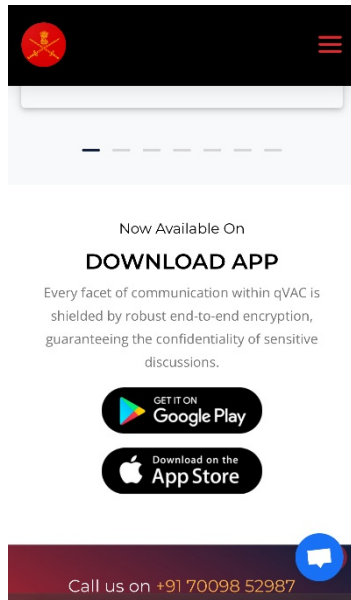

qVAC Android

Android Installation Guide

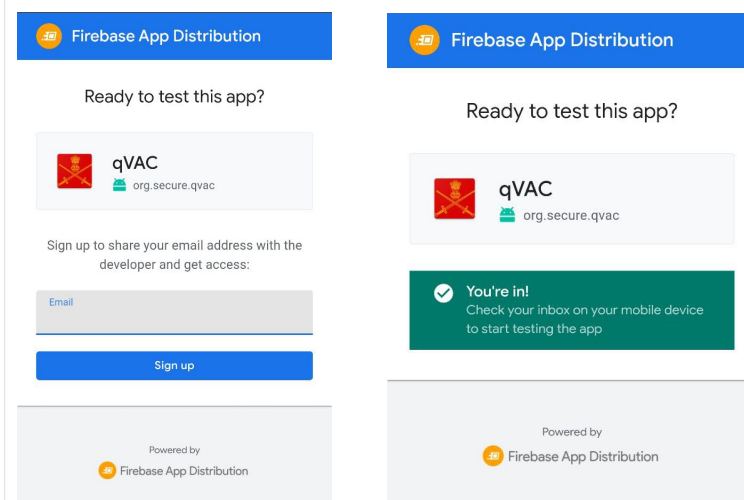

Step 1: Downloading the qVAC App

1. Open <https://qvac.app/> on the Web Browser
2. Enter the Username – qvac and Password – JaiHind_2024!
3. Go to the Download App Section and click on “Get it on Play Store” icon.

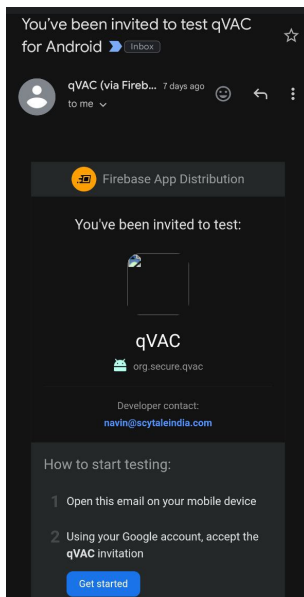

Step 2: Getting the Access

1. After clicking on “Get it on Play Store”, you will be redirected to a new page (Firebase App Distribution).
2. Here you have to enter your email and then click on Sign Up.

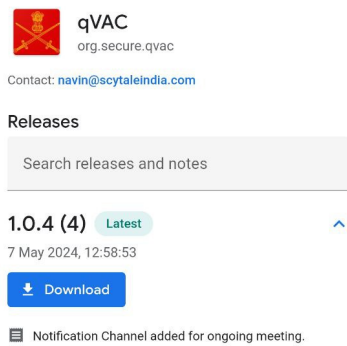

Step 3: Access Granted

1. After the developer has granted the access user will receive an email containing the link to download the app.

2. After clicking on “Get Started”, User will be redirected to the download page.

3. Here, users can download the latest version of the app by clicking on the download button. After the download is complete, users can click on the downloaded APK file and press "install" to install the app.
